MARK C. LEVY CONFERENCE FUND APPLICATION

This special fund, established by Mr. and Mrs. Irving Kalsman in honor of their son-in-law Mark C. Levy, was created in part to help subsidize students' travel expenses to national conferences of Jewish import. One of the goals of these subsidies is to encourage student leadership. The students could be those already active in Hillel or those who would become more involved as a result of attending an outstanding conference. Financial need, therefore, is not the only criterion. Please submit to Saul Korin at skorin@lahillel.org or fax 323-761-8566.

Each student should submit a one page statement of purpose explaining reasons for wanting to attend, and plans for follow-up on campus.
